STERILE PRODUCTS FOR COMPOUNDING PHARMACIES

Innovation has been a hallmark of IMI since its introduction of the first Tamper Evident Cap for I.V. syringes over 30 years ago. Today, IMI is the pharmacist's trusted source for sterile devices that help solve the challenges found in producing compounded sterile preparations.

From Connectors and Adaptors to Caps and Venting Needles, IMI manufactures products certified and inspected to the highest quality standards...right here in the USA. Contact us for FREE sterile samples and see for yourself.
