

# Affordable Automation in... **Less Space!**

Outpatient pharmacies looking to expand their "At-Home" discharge programs start with the ATP Mini! Inpatient pharmacies will be able to replace outdated technology with a machine size that fits their needs. The ATP Mini can handle your pre-pack meds on demand while the InspectRx Mini provides image verification with long-term archiving for auditing.

## **ATP® Mini**

- ✓ High-speed Adherence packaging
- ✓ Color printing
- ✓ Logos and icons
- ✓ Patient Medication overview report

## **InspectRx® Mini**

- ✓ Small, tabletop design
- ✓ 12-point photo analysis
- ✓ Long term image archiving

*Your Complete Pharmacy Partner*
