

REVOLUTIONIZING COMPOUNDING

Freedom Pharmacy Support Services (FPSS)

FPSS offers comprehensive pharmacy compounding support by providing the knowledge, tools, and guidance needed to make compounding pharmacies prosper.

Freedom Pharmaceuticals

Freedom Pharmaceuticals provides you with the highest quality pharmaceutical products and services available and gives you the personalized customer service your pharmacy requires.

CPCSI

CPCSI consists of pharmacists and former PBM auditors that work together to guide, consult, and teach your pharmacy how to properly bill third parties for compounded prescriptions.
