

The POWER of Control

Rx Safe delivers total inventory control.

- Automates up to 95% of your daily fills.
- Virtually eliminates internal theft and diversion.
- Eliminates the dispensing of expiring product.
- Increases inventory turns with less on-hand inventory.
- Maintains accurate perpetual inventory for all medications down to the dose level.

To learn how your pharmacy can take complete control of your inventory and realize a dramatic operational cost savings, call 607.624.3567 or email institutionalsales@innovat.com
