

WHEN THE CFO ASKS...

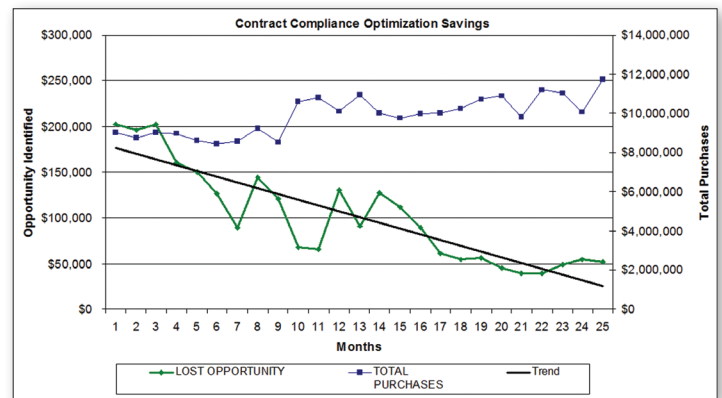

"HOW IS THE PHARMACY
DEPARTMENT IDENTIFYING
COST SAVINGS?"

...WHAT WILL BE YOUR ANSWER?

Are your purchasing contracts optimized?
S/T Health Group's TACTICAL SERVICES deliver results!

The following chart shows actual results for a multi-hospital healthcare system using S/T Health Group's comprehensive contract compliance and optimization reporting system. Through a combination of identifying and monitoring progress of contract purchasing performance, a 75% reduction in lost opportunity was achieved. These results were obtained using a unique patent-pending reporting and monitoring process developed and managed by S/T Health Group in association with our clients. **Contact us today to see what your actual results will be.**
