

A little more care.  
A little less cost.

## UltiCare® UltiGuard® pen needles and insulin syringes

Available in a 100-count UltiGuard safe pack.

Now you can give your patients all the comfort of the leading brand for less. UltiCare pen needles feature a triple bevel tip for easier insertion, are electromagnetically polished for a smooth finish, and silicone coated for added patient comfort.

### UltiGuard® Safe disposal made easy.

Our patented UltiGuard safe pack combines premium needles and an approved sharps container all in one system.
