Why Our Customers Love Us

"We operate a large LTC pharmacy, servicing assisted living, skilled nursing, behavioral health, and residential care settings. We use the entire suite of Integra products (PrimeCare, DocuTrack, DeliveryTrack, Direct Print, eRx module, Cloud Fax, Secure Messaging, and Logix). This allows us to optimally streamline our operations, easily retrieve information, minimize errors, and create economies of scale. We have worked with Integra for over 10 years and have never been disappointed with their responsiveness, flexibility, and customer service."
