Company Background

RXinsider is a multi-media and software development company providing innovative solutions to a variety of healthcare disciplines and colleges. Our goal is to provide innovative and practical technologies that support healthcare practitioners throughout their continuum of practice. Our six Business Units include: Academic Software, Job/Career Solutions, Continuing Education Solutions, B2B Solutions, Credential ePortfolios, and B2C Solutions.

Product Overview

Virtual Pharmacy Job EXPO

Drawing more than 500,000 visitors annually, RXinsider's Virtual Pharmacy Job EXPO is the perfect venue for employers to post career opportunities, brand their organizations, and connect with pharmacists throughout multiple disciplines. Our unique EXPO format allows employers to not only address acute needs, but develop a proactive strategy for future needs.

411 Email Alerts

For employers, 411 Alerts are the fastest and most efficient way to reach your targeted audience. Since 2003, RXinsider has been the established leader in the development and launching of pharmacist recruitment email blast campaigns. Our proprietary email database is updated daily and contains more than 90,000 Pharmacists nationwide.
