Company Background

R.J. Hedges & Associates was created in 2006 to help independent pharmacies feel at ease when it comes to compliance. We have helped hundreds of independent pharmacies stay compliant, pass audits, inspections, and easily earn Medicare accreditation. The programs we offer are completely customized for your pharmacy. Each client has a dedicated project manager who will keep your program updated, answer your questions, and guide you every step of the way to make your life stress free when it comes to compliance. R.J. Hedges clients do not need to worry about new regulations and updated policies, because we take care of that for you. We hold ourselves to high standards of customer service and compliance, often higher than required. R.J. Hedges has earned the Better Business Bureau's highest rating of an A+ rating. We would love to add your pharmacy to our R.J. Hedges community.
