Company Background

Acute Care Pharmaceuticals has been servicing the healthcare industry for over 18 years by delivering exceptional products and services to healthcare providers nationwide. We continually improve the quality of our products making us one of the cleanest USP disposables vendors.

Product Overview

We offer a wide range of USP <797> and USP <800> compliant disposable products that are manufactured under the highest standards. All wipers are ISO Class 5 and USP <161> endotoxin limits for medical devices of 0.06 EU/mL. Our sterile alcohol is manufactured with USP grade water for injection and is available in a variety of sizes.

As a one-stop shop we can supply your facility with not only sterile alcohol and wipers, but everything else your facility may need, including: media test kits, disinfectants, apparel, tacky mats, cleanroom paper, chemo products, sterile IV seals, and more.

The quality manufacturing of Acute Care Pharmaceuticals' Pharma-Choice™ Brand of cleanroom disposables demonstrate our commitment to the future success of USP <797> and USP <800>. Acute Care Pharmaceuticals holds over 20 GPO and IDN contracts. Our products are used in, and trusted by, over 2,000 hospital systems nationwide. In addition, most of Acute Care Pharmaceuticals products are loaded and stocked at AmerisourceBergen, Cardinal, and McKesson, taking the hassle out of purchasing.
