## Company Background

A wholesaler dedicated to customer care, Safeway Distributors (SWDRx) is an NABP Accredited Drug Distributor (formally VAWD) that serves the needs of independent pharmacies, dental offices, clinics, and other medical facilities in 50 states. Opened in 2014 in Davie, FL, Safeway Distributors has built a solid reputation by offering competitively priced products through manufacturer partnerships and a safe, secure, supply chain. Our core values keep us grounded and translate to a positive impact on customers and their businesses.

- **Integrity:** Being honest and upholding strong moral principles.
- **Dependability:** Being there no matter how difficult the situation.
- **Care:** Committing ourselves to treat each other, our customers, and the products we distribute with pride and respect.
- **Teamwork:** Working together with our customers to accomplish anything that comes our way.
- **Accountability:** Holding one another to a higher standard than what is expected and being responsible for our actions and their impact.

### ■ Our Vision

To be an authentic national pharmaceutical wholesaler, who distinguishes ourselves by offering unparalleled customer solutions, niche product offerings, and the safest, most secure pharmaceutical supply chain available.

### ■ Our Mission

To work alongside our customers, helping bring them value and comfort day in and day out, by providing the products they need, when they and their patients need them most.

## Product Overview

Safeway offers a wide variety of in-stock generic and branded pharmaceuticals to help supply your most pressing medication needs.

- Pain Management
- Dermatology
- Active Pharmaceutical Ingredients (API)
- Dental Supplies

## Why Safeway Distributors?

SWDRx is dedicated to aiding in the success of our customers and their businesses. We help customers by offering:

- A wide variety of in-stock generic and branded pharmaceuticals to help supply your most pressing medication needs.
- Direct manufacturer contracts to help keep costs low.
- No order minimums, order only what you need when you need it.
- Knowledgeable account managers to help answer your questions and Online T3 management providing you access to all the documents you need.
- Next-day shipping to all 50 states on any orders placed by 5 p.m. EST.
- 30-day payment terms and credit upon approval to help you manage your business.

## Testimonials

*“Safeway’s account management and attention to detail is second to none. I feel confident that each order I place will be the right medication, at the right price, and delivered on time.”*

— Corey, Pharmacy Buyer

*“A fellow pharmacy owner highly recommended Safeway due to their customer service and product knowledge. They did not disappoint!”*

— John, Pharmacy Owner

*“It is always a pleasure to know someone cares about my business and patients like I do.”*

— Nick, Pharmacy Owner
