### Company Background

SafeChain was founded by brothers, Charlie and Pat Boyd, in 2011. What started as a boutique logistics business and wholesale distribution to hospitals, has now transformed into a full-service pharmaceutical wholesaler. The company has grown from just two employees to over 50 with five locations. Our values are the vital link supporting the care we have for our customers and their patients.

### Company Values

- *Honesty:* Being truthful to each other and our clients.
- *Humility:* Maintaining high character throughout all situations.
- *Gratitude:* Being grateful for our clients and everything we have and do each day.
- *Professionalism:* Dedicating ourselves to a higher standard than what is expected.
- *Responsibility:* Being accountable and taking ownership in our job roles.
- *Positive Attitudes:* Maintaining a polite, pleasant, positive demeanor under the toughest of circumstances.
- *Grit:* Will to succeed and persevere no matter what challenges are thrown our way.
- *Teamwork:* Commitment to each other to accomplish our common goals or visions.
- *Moral Courage:* Doing the right thing even when it might be unpopular.
- *Enjoyment:* Have fun. Life's too short not to.
