Features & Options

In addition to helping our members save money, Innovatix strives to provide the best customer service in the industry through internal and external account managers. We also offer many value-added services including:

■ Innovatix Educational Institute

Each month, Innovatix offers free accredited Continuing Education (CE) opportunities. Members can take advantage of these learning sessions from the convenience of their own computers.

■ Government Affairs

In 2015, Innovatix expanded its advocacy efforts, enlarged its staff, increased the frequency of its communications, and began working more closely with national industry association partners. Innovatix staffs a dedicated government affairs advisory group to solicit member feedback on regulatory and legislative advocacy.

■ Clinical Experts

Innovatix staff includes clinical pharmacists and physician consultants who provide members with best practice studies, disease state management information, formulary management, and medication error reduction strategies.

■ Innovatix Specialty Pharmacy Management (ISPM)

Innovatix offers a specialty pharmacy management program with customized, strategic solutions for retail pharmacies interested in serving specialty patients.

New in 2015: Scriptmax™

Innovatix introduces Scriptmax, the new pharmacy claims adjudication support and data analytics tool. Scriptmax offers the most complete support in the industry with a comprehensive suite of pre-edit, post-edit, and reconciliation services. Scriptmax is a turnkey technology that allows users to customize claim submissions and export reports via convenient Web-portal access — so you can use your data your way, anytime, anywhere. Scriptmax simplifies the claims review process to help pharmacies save time, maximize cash flow, and increase staff productivity. Scriptmax fees are claim-based with competitive pricing options so you can choose the features that best fit your needs.

Key Business Partners

Innovatix is 50% owned by Premier, one of the nation's largest acute care group purchasing organizations. Our relationship with Premier allows our members access to discounted pricing that is typically only available to the nation's largest acute care institutions. In addition, we have negotiated exceptional pricing and advantageous purchasing terms directly with vendors and manufacturers in order to cater specifically to the markets we serve.

Markets Served

Infusion, specialty, long-term care, retail, combo shop, compounding, and mail order pharmacies; senior living providers; behavioral healthcare facilities; and independent oncologists.
