### Company Background

Since 1997, Acute Care Pharmaceuticals has been servicing the healthcare industry by delivering exceptional products and services to healthcare providers nationwide. Acute Care Pharmaceuticals manufactures their own full line of USP <797> compliant disposable products under the brand name Pharma-Choice™.

ACP is continually improving the quality of their products making them one of the cleanest USP <797> disposables vendors.

### Product Overview

Pharma™-Plus cleanroom wipers are the cleanest USP <797> compatible wipers available for use in your cleanroom, barrier isolator, or other compounding areas. They are available in dry and pre-saturated, sterile and non-sterile versions, and in a wide range of sizes. The Pharma™-Plus line of ISO Class 5 wipers have gone through additional cleansing and gamma irradiation processes to reduce the number of endotoxins which have been found to induce fever.

### Features & Options

- USP <797> Compliant
- Meets USP <161> endotoxin limit for medical devices of 0.06 EU/mL.
- Picks up hazardous spills without spread of contamination.
- Lint less, durable, soft and engineered tear resistant.
