## Company Overview

RXinsider is a marketing/communications, market intelligence, and technology company dedicated to the pharmacy supply chain. We educate pharmacy management across every practice setting about products and services that impact pharmacy operations and patient care. Additionally, we offer market insights and educational resources to pharmacy supply chain companies and their staff.

## Overview

The Pharmacy500 is awarded to 500 pharmacy supply chain businesses and associations that had a significant impact on dispensing pharmacies in the U.S. over the past year.

## Who are the Pharmacy500 and what are the selection criteria?

### ■ The Pharmacy500 include:

- Companies in the Pharmacy Supply Chain
- National Pharmacy Trade Associations

### The Pharmacy500 selection committee applies the following criteria to determine the list of 500:

- Offers and actively markets at least one product or service to dispensing pharmacies.
- Dispensing pharmacies comprise at least 25% of their customer base.
- Has an estimated annual revenue exceeding \$500,000.
- Has five or more full-time employees, and has been in business for more than two years.
- Has a national presence.
- Exhibited at one of the following national conferences in the previous year: APhA; ASCP Annual Meeting & Exhibition; Asembia's Summit; ASHP Midyear Clinical Meetings & Exhibition; Cardinal Health RBC; McKesson ideaShare; NACDS Total Store Expo; NASP Annual Meeting & Expo; NCPA Annual Convention and Expo; Pharmacy Futures (ASHP Summer); ThoughtSpot.

The following supply chain segments are critical to pharmacy operations but are excluded from the Pharmacy500 simply due to volume:

- Manufacturers and Merchandisers of Pharmaceuticals
- Manufacturers and Merchandisers of Devices and OTC Products
- Colleges of Pharmacy
- State Associations
- Government Agencies and State Boards of Pharmacy
- Pharmacy Fraternities and Sororities
- Dispensing Pharmacies, Health Systems, Chains, Payors, and PBMs

*“With such a historical focus on the clinical aspects of pharmacy, it’s exciting to recognize a segment of the supply chain that impacts pharmacies from an operational standpoint, enabling pharmacies to operate efficiently and profitably while providing exceptional and innovative pharmaceutical care.”*

— Gregory Cianfarani, RPh, Founder and CEO

## Practice Settings

- Community/Retail
- Long-Term Care
- Hospital/Health System
- Home Infusion and Compounding
- Managed Care/PBM
- Specialty
- Nuclear
