Company Background

HQAA has been offering accreditation services for companies and pharmacies that provide DME and infusion services for more than 10 years.

Product Overview

State boards of pharmacy, CMS, third party payers, and provider networks are demanding more rigorous compliance. Now is the time to make sure you are on top of the current guidelines. Our easy-to-navigate online process and personalized coaching will help you take the guesswork out of compliance.

Each customer is assigned a HQAA coach to help them through each step of the accreditation process. The process is entirely online and easy-to-navigate, allowing you to self-audit your organization as you work through the process. A HQAA surveyor will team up with you to verify your compliance by performing an on-site visit.
