Company Background

Since 1978, Health Care Logistics has been a health care industry leader who specializes in manufacturing, packaging and distributing unique and hard-to-find products. In addition to the 8,000+ products available in HCL's inventory, the company provides free search and development services for non-inventory items. HCL offers small product quantities and has no minimum order requirements. Visit HCL online at GoHCL.com or call (800) 848-1633 to speak live with HCL's friendly, knowledgeable customer service staff from 8 a.m. to 8 p.m. Eastern Time Monday through Friday.

Product Overview

This training and certification program provides participants with self-administered, hands-on training for the techniques required to safely handle chemotherapy drugs. Educates participants about the risks associated with the handling of cytotoxic drugs.
