Company Background

For over 20 years, Acute Care Pharmaceuticals has been servicing the healthcare industry by delivering exceptional products and services to healthcare providers nationwide. Our disposables are manufactured under the highest standards, resulting in reliable and 100% compliant products that you can trust.

Product Overview

Total-Shield is a ready-to-use broad-spectrum hospital grade cleaner and deodorizer. It utilizes a unique chemical, electrical, and mechanical modes of bacterial and viral control. Bleach and chlorine-free, making it non-toxic, non-corrosive, and odorless. It is environmentally safe while also being safe on surfaces and for your employees. Total-Shield will help control, inhibit, and remove pathogens on porous and non-porous surfaces.
