Four Gallon Countertop Safety Cabinet by Health Care Logistics

Countertop cabinets make it possible to store flammables safely even when space is at a minimum. Supplied with one adjustable shelf, these cabinets have the same great features as larger cabinets without compromising valuable floor space.

Company Background

Since 1978, Health Care Logistics has been a health care industry leader who specializes in manufacturing, packaging and distributing unique and hard-to-find products. In addition to the 10,000+ products available in HCL's inventory, the company provides free search and development services for non-inventory items. HCL offers small product quantities and has no minimum order requirements. Visit HCL online at GoHCL.com or call 1-800-848-1633 to speak live with HCL's friendly, knowledgeable customer service staff from 8 a.m. to 8 p.m. Eastern Time Monday through Friday.

Features & Options

- Store smaller quantities nearby! Countertop cabinets make it possible to store flammables safely even when space is at a minimum. Supplied with one adjustable shelf, these cabinets have the same great features as larger cabinets without compromising valuable floor space.
- Double-wall construction with 1-1/2" (38mm) insulating air space.
- Sturdy, 18 gauge steel, welded for strength, long life and greater fire protection.
- Exclusive U-Loc™ handle includes two keys and accepts an optional padlock for convenience and security. Easy fingertip operation with slip resistant grip for greater control.
- Exclusive Haz-Alert™ reflective labeling for high visibility under fire conditions or a power outage. Strategically zone positioned to be firefighter friendly.
- 3-point stainless steel bullet latching system for optimum longevity with increased heat resistance.
- Self-latching, easy-close doors on piano hinge for smooth operation.

- An exclusive SpillSlope™ shelf safely directs spills to bottom of sump. Adjustable on 3" (76mm) centers for versatile storage. Made of sturdy galvanized steel, they meet ANSI standards with a 350 lb safe allowable load.
- Rounded Safety corners on doors.
- 2" (51mm) leak proof sump to contain spills.
- Dual 2" (51mm) vents with flame arresters.
- Durable lead-free powder paint finish, inside and out, for maximum chemical resistance.
- Built-in grounding connector prevents static build up.
- Four adjustable leveling feet provide a wobble-free base.
- Warning label in three languages: English, Spanish and French.
- Attractive, flush mounted handle design reduces dangerous "catches" from pedestrian traffic. Less prone to damage when shipped.
- Self-closing doors feature fusible links to hold doors open and patented, concealed self-close mechanism for obstruction-free access.
- Designed in accordance with the National Fire Protection Association (NFPA) Code 30 regulations, Uniform Fire code compliant and complies with OSHA regulations.
- Optional wall hanger assembly is available. Contact our Customer Service Department.
- Dimensions: 22"H x 17"W x 17"D (559mm x 432mm x 432mm)

Additional Product Lines

HCL stocks more than 7,000 "unique and hard to find" items, such as boxes, bins, security seals, compounding and dispensing products, custom labels, security seals, and magnets, custom cabinets and storage, custom design foam, and unit dose packaging supplies. The company does not handle drugs or medications.

Markets Served

Health Care Logistics provides an extensive offering of unique and hard-to-find items to hospitals, pharmacies, wholesalers, surgery centers, long term care facilities, correctional facilities, outpatient clinics as well as other markets in the healthcare industry.
