Company Background

UrgentRx provides over-the-counter medications in an innovative fast-acting powder format, available in convenient, single-dose, credit card-sized packets for easier portability and accessibility. Initially developed for heart attack victims, who are 23% more likely to survive by taking aspirin at the first sign of a heart attack, UrgentRx's products also provide quick and easy relief from headaches and aches and pains.

UrgentRx is the first recipient of the University of Colorado Denver Business School's student-run Rutt Bridges Venture Capital Fund at the Bard Center for Entrepreneurship, selected for the innovativeness of the product and its potential to become a significant player in the market.

Benefits

- Portable heart attack first aid
- Fits conveniently in a purse or wallet's credit card slot
- Works nearly 2.5 times faster than bulky tablets or pills
- Pleasant lemon-lime flavor
- Can be taken with or without liquid

Additional Product Lines

- Headache Relief to Go
- Ache & Pain Relief to Go
